Docket No. 98N-1265

Food and Drug Administration '99 APR 13 AIO:11

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: If you limit the number of  
prescriptions that specialized pharmacies serve,  
that will seriously affect my well  
being (my health). Since I am  
taking the compounded prescription my  
symptoms improved 90% but I need  
to continue if I want to get 100%  
healthy. Please stop your plans.
